The Gallery CAFÉ

Queen's Theatre
Barnstaple

The rumour mill is hard at it that Barnstaple will soon have a new bistro style café to die for.

Turns out it's true! - The Gallery Café is the Queen's Theatre's classical yet contemporary new first floor café bar, offering excellent cuisine with an informal ambience and it opens it's doors on Tuesday 8th November.

- Fairtrade Tea & Coffee
- Lunches & Pre-Show Dinners
- Families Welcome
- Non Smoking
- Bright & Modern

• Open Tuesday to Saturday 10.00am-3.00pm

NOW FULLY REFURBISHED

The Gallery Café

The stylish interior has been fully refurbished with a new clean, fresh look. Wooden floors, leather sofas, plants and light, bright paintwork are complemented by a regularly changing art exhibition.

Families are welcome at The Gallery Café and we don't believe in having a more limited menu for the children. All our dishes are available on a 'half price/half portion' basis.

The whole of the Queen's Theatre is non-smoking and with baby-changing facilities, booster seats, children's cutlery and toys to keep them amused there is quite simply nowhere else in Barnstaple where you could have a more relaxed meal with the family.

With all its laid back luxury The Gallery Café provides the perfect backdrop for any occasion, whether it's a quick snack with friends, a family dinner, corporate or private function.
